B. C. Property Owner has applied to Authorized Representative to participate in the PACE Program with respect to certain real property located at _____, _____, Montana (the “Property”) by installing or modifying on the Property certain permanent improvements which are intended to decrease water or energy consumption or demand, use renewable energy to generate electricity or reduce the use of nonrenewable energy, and/or to improve a property’s public safety or resiliency, and which are or will be fixed to the Property, as defined in Section 90-4-1302, MCA (the “C-PACE Project”). The installation or modification of such project on the Property will be a “C-PACE Project” which satisfies the requirements of Section 90-4-1302, MCA, (the “Project”).

D. Property Owner and Local Government have entered into a written contract as required by Section 90-4-1304, MCA, a copy of which is attached hereto as Exhibit A and made a part hereof (the “Owner Contract”), in which Property Owner has requested that Local

Government impose an assessment (the "Assessment") on the Property as set forth in the Notice Of Contractual Assessment Lien Pursuant To Commercial Property Assessed Capital Enhancements Act of Montana to be filed in the in the Office of the Clerk and Recorder of _____, Montana (the "Notice of Contractual Assessment Lien"), a copy of which is attached to the Owner Contract as Exhibit A, to repay the financing of such C-PACE Project. The Property, C-PACE Project, and Assessment are more fully described in the Notice of Contractual Assessment Lien.

E. Financing for the Project (the "Financing") will be provided to Property Owner by Lender in accordance with financing documents described in, or copies of which are included as, Exhibit B attached hereto and made a part hereof (the "Financing Documents"). Such Financing includes only those costs and fees for which an assessment may be imposed under the PACE Act. This Lender Contract is entered into between Local Government and Lender to provide for repayment of the Financing secured by the Assessment under Section 90-4-1307, MCA.

F. As required by Section 90-4-1305(3)(b)(i), MCA, the written consent of each mortgage lien holder to the Assessment was properly notarized and executed within 3 months prior to the application for a contract, as shown by the copy of such consent(s) attached as Exhibit B to the Owner Contract.

NOW THEREFORE, THE PARTIES AGREE AS FOLLOWS:

Section 1. Maintenance and Enforcement of Assessment. Lender agrees to provide the Financing for the Project in the total amount of \$_____, according to the terms set out in the Financing Documents attached hereto as Exhibit B. In consideration for the Financing provided or to be provided by Lender for the Project, and subject to the terms and conditions of this Lender Contract, Local Government agrees to levy and continue the Assessment for the benefit of Lender until the Financing, all contractual interest, any prepayment premium, additional penalties and interest imposed by the Lender under the Financing Documents according to the Financing Documents, and any statutory penalties, interest, attorney's fees, or costs accrued in the event of default are paid in full. Pursuant to Section 90-4-1307, MCA, installments of the Assessments due must be included in each tax bill issued under 15-16-101, MCA, and must be collected at the same time and in the same manner as taxes collected under Title 15, Chapter 16, MCA. Local Government shall have no obligation to pay the assessment and no liability to Lender should there be a default or an event of default in the payment thereof or should there be any other loss or expense suffered by Lender or under any other circumstances.

Section 2. Installments. The Assessment, including the amount financed and contractual interest, is due and payable to Lender in installments as set forth in the Notice of Contractual Assessment Lien and Financing Documents. The Assessment shall include: (1) an application fee paid by Property Owner to Authorized Representative at loan closing, and (2) a recurring administration fee paid by Property Owner to the Authorized Representative. Equal semi-annual installments of the Assessment shall be collected by the Local Government at the same time and in the same manner as taxes collected under Title 15, Chapter 16, MCA. The Assessment installments will then be remitted by the Local Government to the Authorized

Representative. The amounts due to the Authorized Representative identified in Exhibit B hereto shall be retained by the Authorized Representative and the Authorized Representative shall then remit the remaining proceeds of the Assessment installments to the Lender for payment of debt service due on the loan(s) secured by the Assessment. As required by Section 90-4-1307(1)(b), MCA, the period during which such installments are payable does not exceed the useful life of the Project. When the Assessment together with any prepayment premium, and/or default penalties and interest, if any, has been paid in full, Local Government's rights under this Lender Contract will cease and terminate upon notice from Lender to the Authorized Representative that all amounts owing have been paid in full, Local Government will execute a release of the Assessment and this Lender Contract and deliver the release to the Authorized Representative. Thereafter, the Authorized Representative will record the release.

Section 3. Assignment of Right to Receive Installments. Lender will have the right to assign or transfer the right to receive the installments of the Assessment, provided all the following conditions are met:

1. The assignment or transfer is made to a qualified lender, which may be one of the following:
 - a. Any federally insured depository institution such as a bank, savings bank, savings and loan association and federal or state credit union;
 - b. Any insurance company authorized to conduct business in one or more states;
 - c. Any registered investment company, registered business development company, or a Small Business Administration small business investment company;
 - d. Any publicly traded entity; or
 - e. Any private entity that: (i) Has a minimum net worth of \$5 million; (ii) Has at least three years' experience in business or industrial lending or commercial real estate lending (including multifamily lending), or has a lending officer that has at least three years' experience in business or industrial lending or commercial real estate lending; (iii) Can provide independent certification as to availability of funds; and (iv) Has the ability to carry out, either directly or through a servicer, the bookkeeping and customer service work necessary to manage the assessment accounts.;
2. Property Owner and Authorized Representative are notified in writing of the assignment or transfer and the address to which payment of the future installments should be mailed at least 30 days before the next installment is due according to the payment schedule included in the Financing Documents; and

3. The assignee or transferee of the right to receive the installments executes an explicit written assumption of all of Lender's obligations under this Lender Contract.

Upon written notice to Property Owner and Authorized Representative of an assignment or transfer of the right to receive the installments that meets all these conditions, the assignor shall be released of all of the obligations of the Lender under this Lender Contract accruing after the date of the assignment and all of such obligations shall be assumed by and transferred to the assignee. Any attempt to assign or transfer the right to receive the installments of the Assessment that does not meet all of these conditions is void.

Section 4. Financing Responsibility. Lender assumes full responsibility for determining the financial ability of the Property Owner to repay the Financing and for advancing the funds as set forth in the Financing Documents and performing Lender's obligations and responsibilities thereunder.

Section 5. Lien Priority and Enforcement. As provided in the Owner Contract and Section 90-4-1307, MCA: Delinquent installments of the Assessment incur interest and penalties in the same manner and in the same amount as delinquent property taxes, viz., a delinquent installment draws interest at the rate of 5/6 of 1% a month from and after the delinquency until paid and 2% must be added to the delinquent taxes as a penalty. Statutory penalties and statutory interest payable under this paragraph will be paid to the Local Government. The Assessment, together with any penalties and interest thereon, is a first and prior lien against the Property from the date on which the Notice of Contractual Assessment Lien is filed in the Office of the _____ County Clerk & Recorder until the Assessment and any penalties and interest are paid; and such lien has the same priority and status as other property tax and assessment liens, pursuant to Section 90-4-1307(3)(a), MCA. The lien created by the Assessment runs with the land, and any portion of the Assessment that has not yet become due is not eliminated by foreclosure of: (i) a property tax lien, or (ii) the lien for any past due portion of the Assessment. *Id.* .

In the event of a sale or transfer of the Property by Property Owner, the obligation for the Assessment and the Property Owner's obligations under the Financing Documents will be transferred to the succeeding owner without recourse on Local Government or the Authorized Representative and with recourse on Property Owner only for any unpaid installments of the Assessment that became due during Property Owner's period of ownership.

In the event the Property is subdivided or otherwise split the Assessment shall continue to be levied upon the new parcel on which the C-PACE Project is located. If the C-PACE Project is located on multiple parcels, the Assessment shall be allocated between each on a *pro rata* basis or as otherwise agreed to by the Property Owner and Lender, subject to approval by the Authorized Representative.

In the event of a default by Property Owner in payment of the Assessment installments called for by the Financing Documents, the Assessment lien will be enforced by Local Government in the same manner according to Title 15, Chapter 16, MCA, that a property tax lien against real property may be enforced.

In a suit to collect a delinquent installment of the Assessment, Local Government will be entitled to recover costs and expenses, including attorney's fees, penalties, and interest due, in the same manner according to Section 15-16-506, MCA, as in a suit to collect a delinquent property tax. In the event such a suit includes collection of other delinquent assessments and property taxes, Lender shall be entitled to receive its pro rata share of any settlement or judgment entered in such suit to pay delinquent installments of the Assessment.

Section 6. Final Payment. When the Assessment has been satisfied and paid in full, together with all interest and prepayment premiums, if any, provided under the Financing Documents and all costs, fees, penalties, and interest applicable under the PACE Act and payable to Lender or Local Government, Local Government's rights under the Owner Contract will cease and terminate and the Local Government will no longer report the Assessments for collection with property taxes due on the Property.

Section 7. Limitations of Local Government's Obligations. Local Government undertakes to perform only such duties as are specifically set forth in this Lender Contract, and no implied duties on the part of Local Government are to be read into this Lender Contract. Local Government will not be deemed to have a fiduciary or other similar relationship with Lender. Local Government may request written instructions for action from Lender, via the Authorized Representative and refrain from taking action until it receives satisfactory written instructions. Local Government will have no liability to any person for following such instructions, regardless of whether they are to act or refrain from acting.

Section 8. Costs. No provisions of this Lender Contract will require Local Government to expend or risk its own funds or otherwise incur any financial liability in the performance of any of its duties hereunder, other than as is contemplated for expenditure and reimbursement under Section 5 above.

This recognition does not in any way diminish the standing of other parties to bring legal claims on their own behalf.
