

Montana Board of Housing Reverse Annuity Mortgage Program

Mission

The Montana Board of Housing Reverse Annuity Mortgage Loan provides financial flexibility to Montana's lower income seniors by allowing them to use the equity in their home as a source of income. Seniors are empowered to live in their homes for as long as they wish.

RAM Loan Criteria

- Available to Montana seniors aged 68 or older
- Homeowners access up to 80% of their home's equity
- Home must be located in Montana
- Home is unencumbered by a mortgage or lien
- Interest rate is fixed for the life of the loan (maximum 5%)
- Option to take a partial lump sum of \$10,000 at closing
- Receive monthly payments over a 10-year term

RAM Loan Criteria

- Interest accrues as principal paid out over 120 months
- Obligation to repay loan is deferred until last borrower permanently vacates the home
- The home is then sold to repay the RAM loan
- Home must continue to be in good repair
- Property taxes and hazard insurance must be current

Pros and Cons

Pros:

- Allows low-income seniors use of investment income from their home to act as additional income every month.
- Allows seniors to remain in their home and meet their monetary needs.
- Allows seniors to retain ownership of their property.

Cons:

- Some seniors may outlive the life of the loan exhausting the equity of their home, leaving few other options for additional income.

Things to Know About RAM Payments:

- Payments are not considered income
- Payments are not IRS reportable income

Exceptions

- **Are there any age exceptions?**

No, but an application can be started at age 67 if the applicant will be 68 at closing.

- **Are there any income eligibility exceptions?**

Some ongoing medical expenses may be used to reduce borrower income if over the posted limits.

- **Are there any lump sum exceptions?**

Lump sums over \$10,000 may be considered by the Board for an exception in certain situations. There is no guarantee, and it may increase processing time.
