Accounting and Finance Program

INVESTMENT DIVERSIFICATION

Diversification is an investment strategy that entails the purchase of a mixture of investments that reduces the exposure to investment risk. The Board portfolio is invested in historically low risk investments. FHLMC (Freddie Mac) and FNMA (Fannie Mae) are Government Sponsored Enterprises (GSE) that are currently under government conservatorship and some investors assume they are implicitly guaranteed by the federal government.

- As of May 31, 84.2% of MBOH funds were being held in money market earning 5.18%.
- 4.6% of investments were being held in U.S. Treasuries with rates from 0.27% to 6.48%.
 - The lower interest rates were purchased before 2023 market increases and will be maturing at the end of this fiscal year 2024.

WEIGHTED AVERAGE YIELD TREND

Weighted average is a calculation that considers the varying degrees of importance of the yields in an investment data set. MBOH uses the average yield for specific investment types and the par value of those same investment types to calculate the weighted average yield.

- The weighted average has improved year-to-year from 4.92% in May 2023 to 5.18% in May 2024.
- There was a month-to-month decrease from 5.26% to 5.18% from April 2024 to May 2024.

PORTFOLIO MATURITY

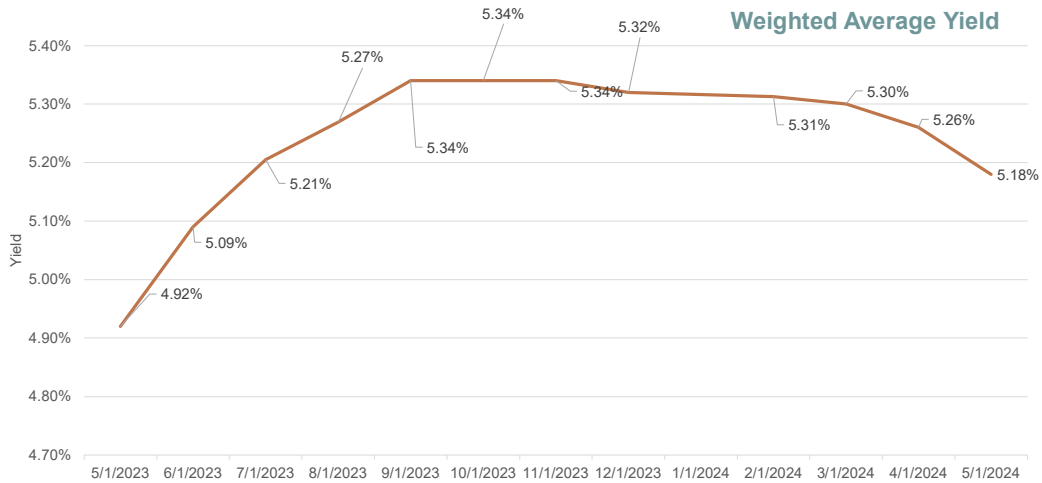

Indicates who holds the investment securities on behalf of MBOH, the type of security, the date of maturity and the PAR value, which is the face value of the security at the time of issuance.

- The FNMA (Fannie Mae) MBS (Mortgage-Backed Securities) are the longest-term maturities in our portfolio with yields at 4.45% and 4.96%.
- Two of the Treasury Bonds were purchased several years ago at a yield of 6.48%. These will be maturing in August 2025.
- The overall total of investments at the end of May 2024 was \$131.7 million with approximately \$110.9 million of that total in money market.
- The Board paid debt service on June 1, funds were invested in Treasuries in the month of June.

INVESTMENT DIVERSIFICATION

FNMA: Federal National Mortgage Association (Fannie)
FHLMC: Federal Home Loan Mortgage Corporation (Freddie)

Lender Approval – New American Funding

BACKGROUND

New American Funding was founded by Rick and Patty Arvielo twenty years ago and is headquartered in Orange County, California. They offer conventional loans through Fannie Mae and Freddie Mac as well as FHA, VA and USDA. They have created initiatives that focus on the Latino and Black communities and most recently created one that focuses on military families. Their focus is to provide sustainable homeownership to borrowers with a focus to assist the underrepresented.

New American Funding has a branch office in Helena, and they are interested in participating in all of the Board's mortgage loan programs. They leverage the latest technology and streamline their processes which allows them to offer industry-leading loan closing times and in turn help borrower's get into their home or complete their refinance faster than ever.

New American Funding's application material, quality control plan and financials have been reviewed and approved by staff, and they meet all requirements for becoming a Board of Housing Participating Lender. Their full application and financial information are available for Board members to review upon request.

PROPOSAL

Staff requests for the Board to approve New American Funding as a Participating Lender for Montana Board of Housing.

EMERGENCY RENTAL ASSISTANCE UPDATE

- As of July 2, 2024, almost \$136.9 million in rent and utility assistance has been awarded and we have assisted 14,038 households. We are continuing to recoup some MERA funds for various situations (i.e., if renter moved apartments before completing the three months forward rent assistance has ended).
- Over \$48.5 million in potentially fraudulent applicants (2,787 applications) have been flagged, isolated, and denied.

BOARD AGENDA ITEM

- We received approval from the Governor’s office to move forward with Treasury’s Emergency Rental Assistance Program FAQ #46, which allows for the following “Eligible Uses of ERA2 Funds”:

“Affordable rental housing purposes” are expenses for:

- the construction, rehabilitation, or preservation of affordable rental housing projects serving very low-income families; and
- the operation of affordable rental housing projects serving very low-income families that were constructed, rehabilitated, or preserved using ERA2 funds.

Through FAQ 46, other eligible uses, we’ve awarded 6 grants for approximately \$4.1M. Award letters were recently distributed. One application was not funded as we did not have enough funds to award everyone who applied.

HOMEOWNER ASSISTANCE FUND UPDATE

- As of July 2, 2024, 1,691 applications have been submitted to the statewide program. HAF staff have approved and paid over 6 million in total through all statewide program applications.
- HAF Home Repair program is receiving steady monthly applications and is progressing towards the next step of waiting for bids to be submitted.
 - As of July 2, 2024, 281 home repair applications have been submitted.
 - We have 2 applications that are approved and complete.
 - We have 14 applications that are currently under construction.

COMMUNITY HOUSING UPDATE

- The application deadline for HOME, CDBG-Housing, and HTF programs is September 17, 2024. There are limited funds available to award this cycle: \$1.5 million in HOME, \$1.5 million in CDBG-Housing and \$1.9 million in HTF.
- Recommendations for the remaining \$3.15 million in HOME-ARP funds were made to Commerce leadership on June 26; award letters are pending Governor’s office review and approval.
